Based on the information contained in this Report, Frontier Communications respectfully requests that the FCC grant continued designation as an ETC and make the appropriate certification to USAC so that the companies described in this Report will receive USF support in 2012-2013. In support of this Application, Frontier Communications states the following:

1. §54.313(a)(1): Five Year Improvement Plan

Pursuant to ¶ 7 of the February 3, 2012 Order in this docket, “ETCs that are not required by a state commission to file a quality improvement plan with the state commission are not required to file a plan with the Commission this year.” Frontier has not been required by any state commission to submit a quality improvement plan and accordingly does not submit one to the Commission in 2012.

2. §54.313(a)(2): Outage Reporting

Please see Confidential Attachment A.

Outage reporting is not being provided for the following states because the state has not required collection of such data.

Alabama
Arizona
Georgia
Illinois
Michigan
Mississippi
Montana
Nevada
New York
North Carolina
North Dakota
Ohio
Oregon
Pennsylvania
South Carolina
South Dakota
Tennessee
Utah
Virginia
Washington
Wisconsin

3. §54.313(a)(3): Unfulfilled Requests for Service

Please see Attachment B.

Counts of Unfulfilled requests for service are not being provided for the following states because the state has not required collection of such data.

Alabama
Arizona
California
Georgia
Illinois
Indiana
Montana
Nevada
New York
North Carolina
North Dakota
Ohio
Pennsylvania
South Carolina
South Dakota
Tennessee
Utah
Virginia
Washington
Wisconsin

4. §54.313(a)(4): The Number of Complaints per 1,000 connections

Please see Attachment C.

The number of complaints per 1,000 connections is not being provided for the following states because the state has not required collection of such data.

Alabama
Arizona
California
Georgia
Illinois
Montana
Nevada
New York

North Carolina
North Dakota
Ohio
Pennsylvania
South Carolina
South Dakota
Tennessee
Utah
Virginia
Wisconsin

5. §54.313(a)(5): Certification of Compliance with Applicable Service Quality Standards and Consumer Protection Rules

The Frontier Communications ILEC companies certify that they comply with applicable state and FCC consumer protection and service quality standards. Frontier has a Customer Proprietary Network Information (CPNI) Manual which reflects the December 2007 revisions to the FCC's CPNI rules. Frontier has also implemented an Identity Theft Prevention Program in accordance with the federal Red Flag Rules.

6. §54.313(a)(6): Emergency Preparedness

The Frontier Communications ILEC companies certify that the companies are able to function in emergency situations as set forth in section 54.202(a)(2). Frontier Communications ILEC companies are able to remain functional in an emergency situation through the use of back-up power to ensure functionality without an external power source. The companies' network is engineered to provide maximum capacity in order to handle excess traffic in the event of traffic spikes resulting from emergency situations.

7. §54.313(h): Voice Rate Data

Frontier Communications reports that pursuant to § 54.318, as modified by the Commission's February 3, 2012, and May 14, 2012, Orders, no Frontier company receiving High Cost Loop Support or High Cost Model support has end-user rates below the Commission's \$10 rate floor.

CONCLUSION

Based on the forgoing, Frontier Communications meets all the requirements for continued designation as an ETC. Frontier Communications therefore requests that the FCC issue an appropriate certification indicating that it is in compliance with 47 USC 254(e) and should receive all federal universal service support determined for distribution in 2013.
